

# Plank Style Tables

## SOLID MAPLE PLANK STYLE TABLE TOPS

MTS Plank Style tables are manufactured with 5"-9" (on average) solid maple, or optional oak planks with no end to end joints for superior strength, durability, and aesthetics. These beautiful solid wood tables are available in your choice of standard, premier, or custom-matched wood stains to complement your decor.

- 390 1-1/4" Eased Edge
- 395 1-3/4" Eased Edge

Maple (standard)

Oak (optional)

1-5/8" dia. logo disk

Personalize your plank style tables with your custom logo maple disk inserted into each table. Contact MTS for additional details.

(Shown with MTS logo as example.)

- Solid maple, 5"-9" wide (on average) continuous planks with no end-to-end joints
- Lumber air dried for a minimum of 90 days
- Kiln dried to a moisture content of 6-8% prior to processing
- Finished and sealed using a formaldehyde-free polyurethane system.
- Exceptionally hard, durable satin sheen finish
- Your choice of standard, premier or custom MTS wood stains
- Available in standard sizes and shapes as shown in 2018 price list - also available in custom sizes
- Contact MTS for additional finish options
